

Dear guests,

We would like to welcome you to the newly renovated Orlík Hotel located right by the entrance to the Teplice Rock Town – one of the Czech Republic's most beautiful natural wonders. Interestingly enough, the Rock Town remained practically unknown for a long period of time and was only opened to the public after the great forest fire of 1824.

Our goal is to continue in the hospitality tradition dating back to the 1930s when the hotel – at that time known as the Eldorado Hotel – was run by Wilhelmine Ansorge and her adoptive son Hugo, both of whom had previously run the very first hotel in Střemnské Podhradí called Eisehammer.

Our chefs specialise mainly in both traditional and modern Czech cuisine using only high-quality ingredients. Being considerate of our environment as well, we buy most of the ingredients from local producers. The entire hotel is heated by heat pumps and we have two charging stations for electric cars.

It goes without saying that we offer a wide selection of draught beer, wine from the Benedictine Wine Cellars in Broumov and coffee from the Vokafe Roasting Plant in Trutnov.

We believe you will enjoy your stay here in our hotel surrounded by the beauties of the Broumov area and that you will keep coming back.

Enjoy your meal!

Jan Víšek, hotel manager
